

Brief Description of International Exchange Program:

DPS Panipat City provides the students global perspectives and international exposure to groom its students as thinking and informed individuals through National Board, CBSE, as well as Cambridge International Examination to broaden students' horizons and open doors of manifold opportunities with global perspective.

The school is committed to foster the acculturation of international students to the DPS Panipat City community and promote internationalization across the institution. We also partner with faculty, staff, and administrators to integrate global dimensions and cross-cultural understanding into the school.

A myriad of Exchange Programs have been undertaken by the school.

Learning Beyond Classroom, Beyond borders: The school has had a Global connect through Academic Exchange Program with countries like UK, USA, Australia, China, Sweden, Korea, Singapore, Thailand, France, Germany for teachers as well as for students in Academic, Sports and Cultural areas.

DPS Panipat City, in collaboration with DPS Society, CBSE and Cambridge is continuously engaged in professional development of faculty and students in the larger interest of the learners both with national and international perspective.

Students from different parts of the globe like USA, Japan, Germany, China, Australia, UAE, Qatar, Thailand, Korea, Nepal have given cosmopolitan color to the institution thus enhancing Global Collaborative Learning.
