Dear Parent,

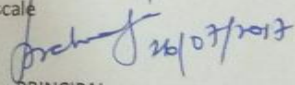

DPS Panipat City in collaboration with InnoVenture 2017 is organising India's First Ideation and Entrepreneurship Challenge for its students from grades 4<sup>th</sup> to 9<sup>th</sup> in the school. The objective of the challenge is to equip the children with crucial 21st Century skills essential for solving real-life problems. . Date for the competition is 18 August, 2017. The participation fee is Rs 250/- per student.

On successful enrollment, students will be provided well-researched and first-of-its-kind Preparation Material via Email.

How do the Students Benefit?

- Selected finalists get trained by CEOs and Entrepreneurs to create high-impact solutions for real life challenges
- Participate in the First-of-its-kind National Level Competition that emphasizes on Creativity, Entrepreneurship and Social Skills
- Get recognized for the skills they possess other than academics on a National scale
