Dear Parent,

We are pleased to inform you that, DPS Panipat City is organizing Regional Mathematical Olympiad (RMO).

The Regional Mathematical Olympiad (RMO) is an important problem solving Contest in Mathematics for school children in India. Taking part in RMO is the first of three steps necessary to complete in the International Mathematical Olympiad (IMO), considered to be the most challenging problem solving contest for school children across the world. India has been a regular participant in this prestigious competition since 1989.

The students of DPS Panipat city are competent enough to stand in competition with anyone at local, national and even international level. So you must encourage your ward to participate in this Olympiad.

The details of the contest are as given below:

- The Pre-RMO will be conducted on September 04, 2016 and the RMO on October 09, 2016.
- The students who clear PRE RMO will be eligible for the RMO.

Please fill in the following information required for your ward to take part in the Regional Mathematical Olympiad (RMO) and return it by 11.08.2016.
