

DPSPC/CIR/28

Dear Parents,

The world is today on the threshold of gigantic leap, with technology playing a key role in it. It is, thus imperative for all to think, plan and act with a vision for adopting the change.

DPS Panipat City continues to be a front runner in leading the change. The leadership of the school has a progressive outlook, a vision to transform education, integrate technology to reinforce learning and to train the students in 21<sup>st</sup> Century Skills which will help them to deal with the future challenges with a gusto & enthusiasm.

In our Quest to build a sound future of our students, the school leaders of DPS Panipat City led by, Mr. Amit Rana, Pro Vice Chairman, have worked hard to create a **'Whole School Learning'** environment empowered by technology to give a **'Complete Educational Experience'** to the students.

In recognition of the pioneering work done by DPS Panipat City and its leadership the school has been selected as Microsoft Showcase School. The program is a leadership focused initiative to highlight innovation in teaching across globally recognized schools. It is a program which believes in the power of the educator and school leaders to impact the lives of the learners by effective use of technology in transmission and assimilation of learning.

We, at DPS Panipat City, are proud to announce our selection as Microsoft Showcase School.

We are a Microsoft Showcase School

Regards,
