

## WORKSHOP UNDER MICROSOFT'S 'GLOBAL TECH CONNECT '

Delhi Public School conducted a workshop under Microsoft's "Global Tech Connect ' on 18<sup>th</sup> January 2017. The workshop was attended by school teachers and students from 15 schools from Panipat district. This particular workshop was also targeted for students from Class VI to VIII. The workshop highlighted modern technologies to receive education, One Drive, Outlook etc. Microsoft Trainer, Ms. Jyoti Chaba, interacted (via Skype-session from Europe) with the students and teachers and elaborated about Microsoft Education Site. Students, through Skype, enthusiastically asked questions and had their questions answered.

The workshop was organized by teachers of Delhi Public School Panipat City. On this occasion the Principal of DPS Panipat City, Ms. Archana Jain, said that changes in the methods of learning and teaching have to be adopted to meet the breakneck changes taking place in the Global teaching methodology and Delhi Public School, Panipat City, a "Microsoft Showcase" school, has taken this step to educate and share experience with peers so that teaching can be made more effective. The Pro Vice Chairman, Mr. Amit Rana said that the school endeavours to provide all new technologies and facilities to its students and teachers to complement the learning experience.
