

RAPID STROKES WON MEDALS

What a show! What a game! Months of hard work, sweat and tears paid off...DPS Panipat City stole the show in swimming meet at Montessori Cambridge School, Pathonkot, for Under-19, Under-17 and Under-14. The Meet began with a frenzy and turned out to be a riveting game...Many schools participated and all of them put up a brilliant show of grit, team spirit and sportsmanship but our schools wins were envious.

Stand out relays included wins for Class XI student Komal in U-19, gold in 200m Butterfly and one silver and three bronze in other categories; Class IX student Khushi Rathi in U-17 won silver; Class VII student Muskan Rathi won silver in Breaststroke and Backstroke and one Bronze medal in another category; Chirag Mann and Harjeet Sangwan in U-19 won two Silver in 200m and 500m Freestyle and Butterfly and two Bronze in other categories.

A big applause to the coaches, Mr Rambali and Mr Sunil Rathi, without whom this wouldn't have been possible. The Pro Vice Chairman, Mr Amit Rana and the Principal, Ms Archna Jain congratulated the team and echoed the sentiments of the whole school, "we are all looking forward to many more accolades in future."

CONGRATULATIONS TO ALL!!!!
