

Mother's Day

You are the embodiment of love.

You are like a boon from above.

Like you there's no other.

You're the only one, you're my mother.

"Mothers play a special role in each of our lives. The day that celebrates the essence of a mother is Mother's Day which is one of those occasions that none of us can afford to miss. Keeping this in mind, Mother's Day was celebrated at DPS Panipat City junior with much fervour and joy.

To make the celebration more special, the mothers of the school were invited on the stage for fun-filled games and activities. It was an exciting way to celebrate mother's love.
