

## **Positive Involvement of Parents**

**Date: 01-09-2016**

The most overwhelming key to a child's success is the positive involvement of parents. Keeping this in mind, it was desired that some of the parents should be called in the school to narrate their experiences to the little ones so that they learn certain norms of life.

Accordingly some parents were invited to school and they narrated famous stories emphasizing the importance of Honesty and Morality in daily life. Learning experience was made much richer and rewarding through dramatization and use of props.

Mothers of Ayaan Dumra and Ojasvi Dumra 'Ms Riya Dumra and Ms Monika Dumra' of Class Flowering C came to school and narrated stories to Class 1(B) and 2(B) respectively.

The children of both the classes enjoyed a lot and were seen putting up a lot of questions to the parents for better understanding. It was a very interactive session.
