

# HELLO SUMMER...!!

A grand "Yummy Summer Treat" activity was organized in the Pre Primary section of DPS Panipat City junior with the main objective of introducing summer fruits, vegetables and desserts.

The day began with fun introduction and activities connected with summer fruits and veggies. Some children spoke about the same. Focusing on the theme teachers explained names of various summer

fruits along with their health benefits .Many art and craft activities were planned such as Cotton Dabbing, Tearing and pasting, Finger printing etc for the students .The tiny tots enjoyed this activity a lot and their faces shone with enthusiasm at dispersal time and were all set to share their knowledge with their mothers.
