Dear Parents and especially Mothers,

At DPS Panipat City we are committed to providing fresh, nutritious hot lunch and healthy, tasty snacks daily for our students. Well-balanced nourishment makes happy and well-balanced children. Who better to guide us in our endeavour but our smart and savvy mothers?

We seek the help of all mothers who can guide us with their ideas and meal plans. Mothers are requested to meet us so that their ideas can be implemented by the school canteen personnel. We welcome recipes for simple, healthy snacks and meals with minimum use of oil and spices. Please take special care to include fresh fruits and salad in your recommended menu.
