

amour de pere

“No love is greater than mom’s love, No care is greater than dad’s care....”

Fathers play a special role in each of our lives. They hold you when you cry, scold you when you break the rules, shine with pride when you succeed, and have faith in you even when you fail. Keeping this in mind, and to honour the fathers, DPS Panipat City *junior*, organized an event “**amour de pere**” that means Fathers love on 22nd Sept,2016 with much fervor and joy.

The school organized this warm and affectionate morning especially for the fathers. They were invited on stage to perform with their children for 2 minutes. They enthusiastically performed on the dance beats, sang songs, recited poems and presented some enactments taking up a social cause. Some fathers spontaneously articulated their special sentiments on how they bond with their children. Fathers while expressing their feelings on the occasion, appreciated the efforts of school authorities for this unique idea of involving them in such celebrations. They said such type of events help them to know their children better and nurture their relationship with them.

The special guest Ms Akanksha Garg invited for the event had a tough time judging the best performances.
