

SHARDA PROJECT

The Pro Vice Chairman of DPS Panipat City has taken an extraordinary initiative to support the endeavour of Honourable Prime Minister Modiji, Beti Bachao Beti Padoo by launching Sharda Project. The project is about embracing girl students from deprived sector of society who cherish an ardent desire to study. The school will educate such girls and help them to become skilled professionals according to their aptitude and interest and later invest in their weddings an amount between 2-5 lakhs depending on their performance in class XII. This project is dedicated to his parents, Mrs. & Mr. M.S. Rana who are the driving force behind the establishment of this educational institution. This venture throws light on Mr. Rana's social sensitivity veiled from the outside world.

"We make a living by what we get, but we make a life by what we give." Men lose all the material things they leave behind them in this world, but they carry with them the reward of their charity and the alms they give. The noble and philanthropist spirit of Mr. Rana is highly commendable.
